جـامعة حـمـدان بن محمـد الذكية
Hamdan Bin Mohammed Smart University

Create new account – Sign-up process

1. From the Smart Campus login page, click on **New Learner** at the top right

2. Fill the form by entering First name, Last name, Personal email, Phone (without + or 0) and Password. Click on **Sign up** once done. (*Passwords must be 8 characters long, combination of UPPER case, lower case, numbers and special characters*)

3. Open your personal email and verify your account by clicking on the verification link.

4. This will open Smart Campus. You need to **Sign In** using the user ID received in the email, and the password entered during the Sign-up process.

5. From the left side menu, expand the **Registration** menu and then choose **Register in Trainings**

6. Click on " JCI – HBMSU Health Care Quality Management Program "

7. Click on **Register now** and continue to pay using credit card
